August 4, 2015

Dear Oren Tamir,

We at *Solar Power World* are excited to let you know that NRG Clean Power is listed at No. 123 on our 2015 Top 500 Solar Contractors list!

The list has expanded to 500 this year, reflecting the exceptional growth of the solar industry.

We welcome you into this prestigious club and congratulate you on all that you have done to promote the solar industry through your and your team's hard work and dedication. You should be incredibly proud of this accomplishment.

On behalf of our team and the solar industry, we applaud and compliment you on your hard work and dedication to delivering solar to the masses. Congratulations on your success.
