### Investor-Owned Utilities (IOUs)

[PacifiCorp - Customer Generation](#)

[Pacific Gas & Electric \(PG&E\)](#)

[San Diego Gas & Electric](#)

[Southern California Edison \(SCE\)](#)

### Electric Service Providers

An Electric Service Provider (ESP) is a non-utility entity that offers "Direct Access" electric service to customers located within the service territory of an investor-owned utility. ESPs are required to register with the California Public Utilities Commission, which in September 2001 suspended the option of IOU customers to switch to Direct Access.

**APS Energy Services Company, Inc.**
